

*Dream For Education*

# Essential Components of a Successful Education System:

**Better  
Standards**

**More  
Accountability**

**More Parent  
Involvement**

**Autonomous  
Structure**

**Use of Advanced  
Technology**

**Updated  
Curriculum**

**Periodic  
Assessments**

"Education is the  
Most Power Weapon  
which you can use to  
change the Worlds."

*Holistic*

*Development*

- ▶ Education for Tomorrow
- ▶ Knowledge Transform in to Wisdom
- ▶ Character Suits to Indian Ethos
- ▶ Culture of Vasudhaiv Kutumbkum

*Motto*

“तेजस्विनावधीतमस्तु”

The school motto inspires one of the most valued virtues in growing children for co-operative learning and excellence to construct and acquire knowledge through sharing and mutual participation in a team-work fashion. It enhances and nurtures all the values in indian culture having a democratic earnest need of the hour to grow, study, work and play collectivity to assimilate the challenges of futuristic global society.

# Focus

ON

# GAMES & SPORTS

We are dedicated to benefit the Games @ Sport scenario of Indian children on global arena. We hard and excel in drawing the best part of children's energy to raise / promote into complete and combat at National & International levels.

In Agra our group of institute have prepared a new breed of children.

Now we are the well known for Games & Sports not only in Agra but in India.
